Important events to be reported:

With great satisfaction, TTS (TRANSPORT TRADE SERVICES) S.A. ("TTS" or "the Company") informs shareholders and investors that the takeover transaction of DECIROM S.A. was finalized.

Yesterday 13.07.2023 we perfected together with our partners in the transaction the last contractual details and concluded the share sale-purchase agreement.

Today we enter a new stage.

We are starting the integration process of DECIROM S.A. operations. in TTS Group, based on the same principles that we have applied to all companies in the Group: commercial autonomy and coordination at operative level, our goal being to maximize the operational flexibility of the group.

At the same time, we will start investments worth 10 million EURO, in continuation of the investment program started by DECIROM in 2022 with the target of increasing the operating speed of the terminal starting in 2024.

The acquisition of DECIROM represents a very important contribution to the development of the port operation segment of TTS Group's business, and will strengthen our position as the main provider of integrated logistics services on the Danube for minerals, agricultural and chemical products.

Today we welcome DECIROM to the TTS family!
